UNITED STATES NAVY

Dear Mom;

Here I am again, still feeling fine & getting along alright. It seems like ages since I last wrote you. I'm sorry that I couldn't write sooner but this ~~time~~ time I had a very good reason.

By the time you receive this you probably will have heard that I have been in action. I came thru it alright, but I lost some weight and I believe that the reason I did was because I didn't eat enough. Some how or other when you are out there fighting for your life and your buddies it doesn't seem to matter much. All you can think of is finishing the job you started. When it was all over I almost fainted from hunger but I was alright after I had eaten. I'm taking it easy now and expect to gain back the weight I lost shortly.

I believe that your prayers and Mary's are what saw me thru safely. I kept thinking of you, especially the sleepless nights I spent out there. during

That's all for now, so until later when I can write in more detail. My love to the
five of you.

Love

Sergeant George V. Tule

George
